

# TKE Plans "Sit-In" at SWOSU for St. Jude's

02.28.2012

SWOSU's Tau Kappa Epsilon fraternity is staging its 4<sup>th</sup> annual "Sit-In" to raise funds for St. Jude's Children's Research Hospital.

According to TKE President Ben Brauer, members will sit on a toilet on the lawn outside the Gen. Thomas P. Stafford Building on the Weatherford campus for 77 straight hours through this Friday, March 2, at 5 p.m. TKEs will take shifts sitting on the "throne" as the event runs continuously around the clock.

The fraternity hopes SWOSU students and the general public will stop by the tent to donate money and show support. Funds donated will in part go directly to the St. Jude's Children's Research Hospital.
